090322/4 Reports from Ward Councillor(s)

Ward Cllr Waltham updated the Parish Council on activities within North Lincolnshire Council:

- The preferred option for the Barton bypass will be announced on the 10th March 2022. It is believed to be a deliverable route that is supported by the public.
- The JustGo service continues to be popular and currently runs 7 buses across the county.
- Network Rail will re-open the Ancholme path on the 18th March 2022.
- KCOM's interest in the village has gone quiet, however, InternetTY will be providing internet in Horkstow. They are also in Barton.
- Household Recycling Centres changed to spring/summer opening times:
Cottage Beck Road, Scunthorpe – 8am to 6pm – seven days a week
Barton and Broughton HRC sites – will be open from Wednesday to Sunday each week. The sites will be closed on a Monday and Tuesday, with the exception of Bank Holiday Mondays when the sites will be open.

- It was noted that the speed signs outside South Ferriby School do not keep in sync with the changing of the clocks.
- Cllr Szabo advised that 3 street signs were promised 6 months ago and they have not been installed.
- Appleby Conservation Verges - £500 fine via enforcement. How would Saxby apply? In Saxby, builders are the worst culprits for leaving their materials on the verges. Alternatives include wooden posts, which make grass-cutting more difficult and more police involvement.
- On the other side of Horkstow Bridge, an area of conservation interest has had its trees smashed with an excavator for unknown reasons. It may have been done with the EA's permission. Cllr Waltham will speak with the council's ecologist.

Another session is due on the 29th March. 2-3 sessions per month are required or else the equipment has to be relinquished.
 - Dog bag dispensers – there is a space at the top of the post and the dispenser would cost £79. It was noted that NLC are keen to have multi-purpose bins.
 - Dog fouling – it was agreed that the Clerk purchase stencils and paints at a cost of approximately £46.00.

The latest NAT meeting had only a few parish councils and no Ward Councillors in attendance. The rural policing team have recruited and are happy to attend PC meetings upon request. An off-road quad bike has been involved in hare coursing. The criminals are dangerous and should not be approached. Swimming at Horkstow Bridge has been made illegal and offenders will be prosecuted. Incidences of 'knockers' (selling dishcloths etc) originating in Manchester and residents are advised to call the police if they are approached. Matters of concern should be reported on 101.

- It was agreed that a hog roast be organised. Cllr Rogers will liaise with the pig man.
- Commemorative plant pots are not expensive and are frost proof.

- As time is pressing, a working group was formed.
- Flyers need to be circulated ASAP.
