

Saxby All Saints Parish Council

**Minutes of the Parish Council Meeting held on Wednesday 13th February 2019 at 7.15pm
in Saxby All Saints Village Hall**

Present

Cllr Ken Bates (Chair)

Cllr Charlie Barton

Cllr Dorothy Fagge

Cllr Andrew Simpson

Ward Cllr Rob Waltham

4 Members of the public

Public Participation

- A member of the public commented that there is an increased presence of dog walkers in the village and the surrounding fields. They felt that some dog walkers did not fully understand the 'right to roam' legislation. Members of the public do not have automatic and unfettered rights to walk over agricultural and other private land. However, they do have rights of access to certain areas of land under the Countryside and Rights of Way Act 2000. This right is commonly known as the 'right to roam' or 'freedom to roam'. It was suggested that the resident liaises with the Low Villages newsletter to write an article expanding on the above.
- South Ferriby Flood Alleviation Scheme – resident was concerned by the duration of the proposed closure of the A1077 (up to 30 weeks) and the subsequent inconvenience this would cause residents to this area. Cllr Bates advised that he attended a specially convened meeting by Bonby Parish Council which included representatives from the parish councils of the Low Villages as well as Winterton TC and Winteringham PC. Ward Cllr N Sherwood, who sits on the planning committee, was present too. Cllr Holloway from South Ferriby PC presented maps outlining the plans. Cllr Bates confirmed that those present supported the plans in principle as they would not wish to see a repeat of the 2013 flood. Concerns included the potential increase of traffic on the B1204 but attendees were advised that signage would direct drivers down the A15 instead. NLC would also write to hauliers etc. It should be noted, however, that this scheme is by no means a done deal as several variables are still to be confirmed, most significantly the funding. The Environment Agency have commented that the proposed timescale for the road closure is seen as a 'worst case' scenario and NLC Highways are working closely with them to negotiate a tolerable solution.

its move into the leisure centre and will benefit from longer opening hours. This is due to be up and running by late May 2019.

- Ancholme Cycle Way – negotiations are ongoing with landowners on both sides of the Ancholme. Various options are being considered.
- The Character Landscape Assessment is ongoing, with NLC looking to extend the classification of the Wolds up from Caistor. Meetings have been held with Natural England and further ones are due soon to discuss the AONB classification. Future proposals will be put to residents and the benefits that could be achieved from such categorisation.
- A 24-hour petrol filling station application in Barton has been refused.
- Trade Watch is a voluntary scheme where residents will sign a contract with Safer Neighbourhoods stating they will not agree to any work offered to them on the door step and they will report any suspicious company to Humberside Police. The scheme will protect members of communities and also act as a deterrent to potential rogue traders and criminals in the same way Neighbourhood Watch does. Residents who sign up will receive scheme window sticker, information packs and street signs are available for villages who sign up. Living in a Trade Watch area will reduce the risk of being approached or becoming a victim of a doorstep crime and send a clear, proactive message to residents and criminals that such crimes will not be tolerated within North Lincolnshire.
